*We've only just begun
to live, white lace and
promises a kiss for luck
and we're on our way.*

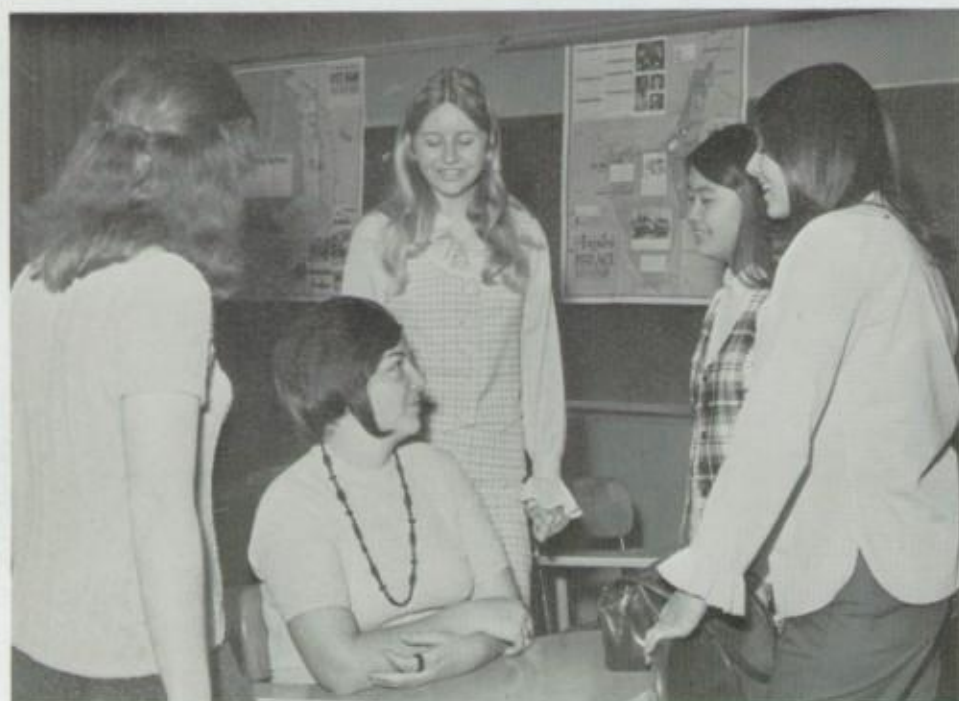

*Before the rising sun we
fly, so many roads to choose
we start out walking and
learn to run. And yes,
we've just begun.*

Sharing horizons that are new to us, watching the signs along the way, talking it over just the two of us, working together day to day.

*And when the evening
comes we smile, so much
of life ahead we'll find a
place where there's room to
grow, we've only just begun.*

Beer Can

Believe it or not there are people drinking Pepsi under that crowd.

Go, Betty, go!

Rally

November 5th marked a memorable evening in the lives of the Caruthers Raiders. The Beer Can Rally will become an annual thing. The Junior Class won the can collecting contest, followed by the Senior Class in a close second, then came the Sophomores and Freshmen. The rally was a great success with a reversal of the usual program. The Senior Class proved they did not take defeat lightly by taking first in class yells. Juniors came in second, followed by the Sophomores and Freshmen. A sock hop was held after the rally. Everyone seemed to enjoy the festivities.

The following day the fearless Blue Raiders swamped the Parlier Panthers with a 37-8 victory. The rally and game both proved to be a great success.

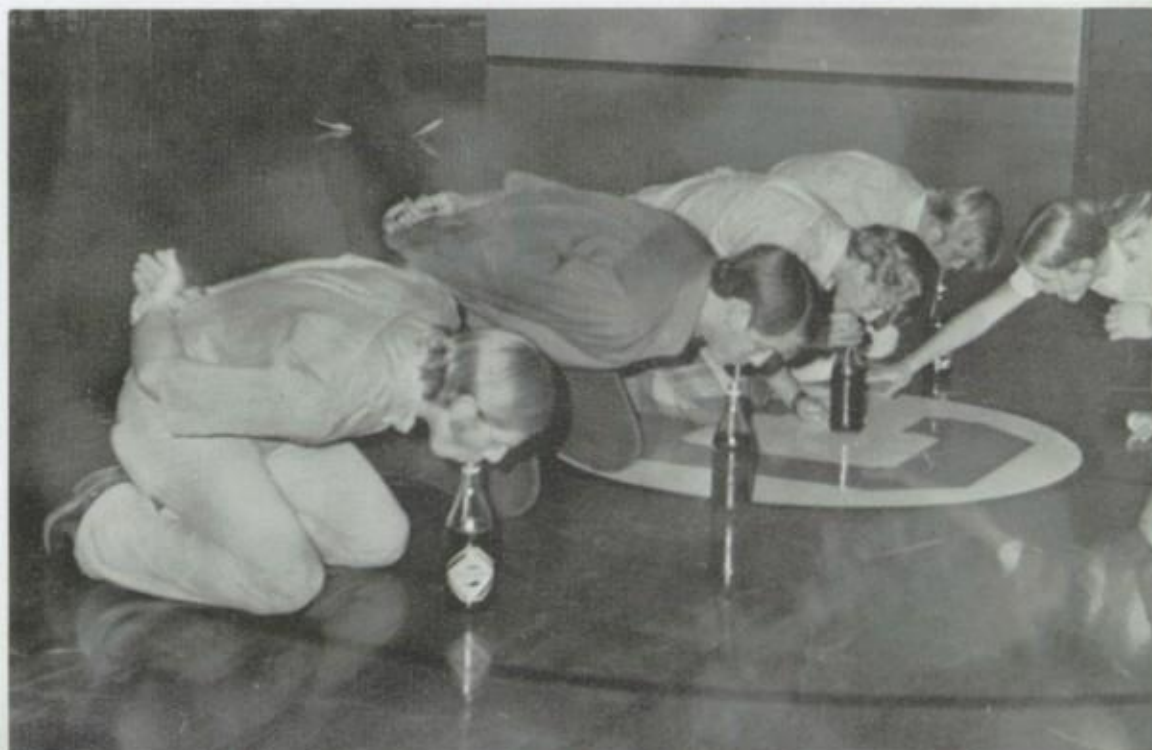

Aaron will do anything to get into a picture.

Here we have some brothers and sisters of Caruthers soul.

Ray, Keith, Tommy, and Jeff drink a toast to C.U.H.S.

Okay, you can bring out the television camera, Betty and Vanessa are ready. They are ready for action.

Stan, Richard, and DeWitt did not mind giving Janet money for the Senior can.

In Memory Of

Mr. Harry R. Anderson

Born: December 27, 1916

Morgantown, West Virginia

Died: February 20, 1971

Caruthers, California

In our modern age of mankind, it is hard to find a truly dedicated person such as Mr. Harry R. Anderson was. He was fully dedicated to his wife, his children, and his community. This devotion to his occupation of Superintendent of the Caruthers School District, lead him to represent our community and school in many civic affairs. He was the main person responsible for building the Caruthers Elementary and Caruthers High Schools. We, of the student body, are much indebted to his life and the accomplishments he gave us.

Man is only given a certain number of years upon the earth to do his best to develop good among his fellowman. This life-span is so short, that very few men accomplish that which is their ultimate goal. Surely with all the many great deeds this man has done, he met his goal and used his life to its fullest capacity. He served his family, his country, and fellowman with the upmost of his very being. Mr. Anderson was born in Morgantown, West Virginia. He was graduated from West Virginia University and during World War II he served as an infantry company commander in Europe, where he was decorated five times. In recent years, he was a member of the Selma Masonic Lodge, the Scottish Rites of Fresno, the Caruthers Lion's Club, and the Society of the Fifth Infantry Division.

In the 1970 La Puerta, Mr. Anderson wrote a challenge to the future graduates of CUHS. He challenged them to dream of ways to improve their surroundings. But not just as dreams, but ambitions that will someday become realities. The future graduates should strive, as Mr. Anderson, to make realities of their dreams. He accomplished, in his life, many great dreams. Let us fervently hope that we can accomplish as much.

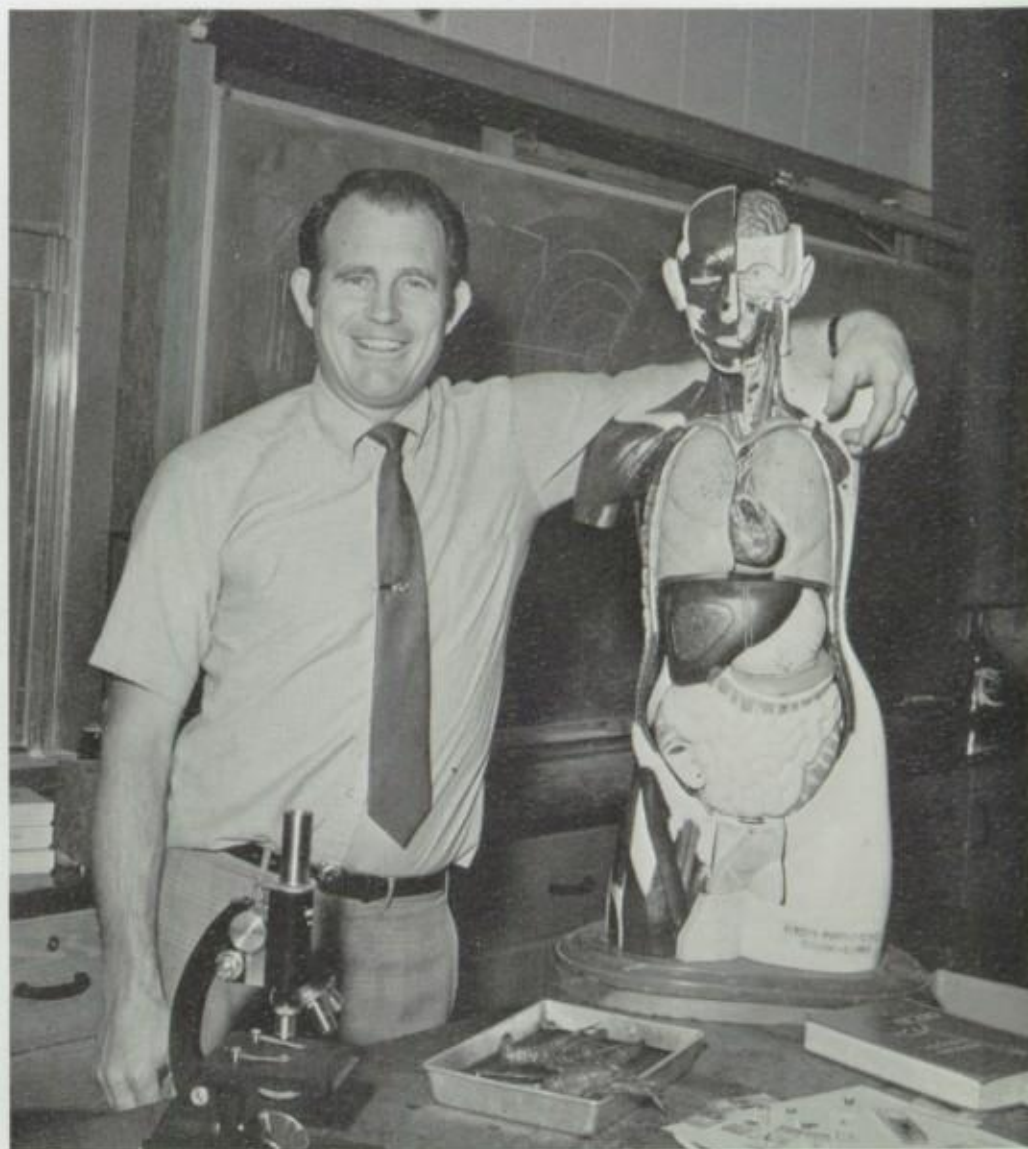

Dedication

Not often is a school lucky enough to have a teacher, coach, helper, and friend, all rolled into one. But the students at Caruthers happen to have someone who fills those shoes; or to put it better-BOOTS! Coming to Caruthers from New Mexico only three years ago, Mr. Lyles has made many friends.

How could you not be friends with someone who helps you dissect that stinky frog? Biology and life science have become the favorite classes of many, even though they are assured of homework almost every night.

During his first year here, he coached the junior varsity basketball team, leading them to victory. Everyone was so pleased with his championship team that he was made varsity coach. This year he served as assistant junior varsity football coach until an appendicitis attack took him from the Caruthers scene for four long weeks.

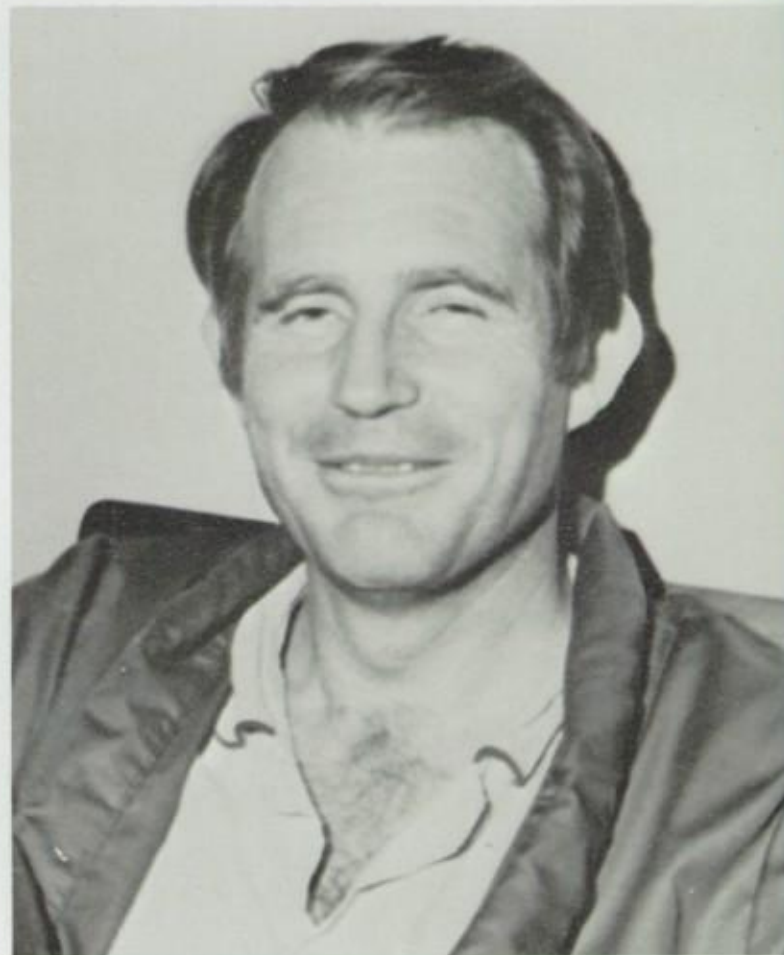

More important than his teaching or coaching is his friendship. His whistling down the halls, letting you watch game shows on T.V. after a test, telling you about his country-western favorites, and general friendliness to everyone is the reason we would like to dedicate the 1971 La Puerta to Mr. Lyles.

Mr. Lyles and his biology friend.

Mr. Lyles kept the team's spirit up by giving them an encouraging clap. He also wasn't afraid to exercise his vocal cords.

Mr. Lyles got caught in bed during his illness.

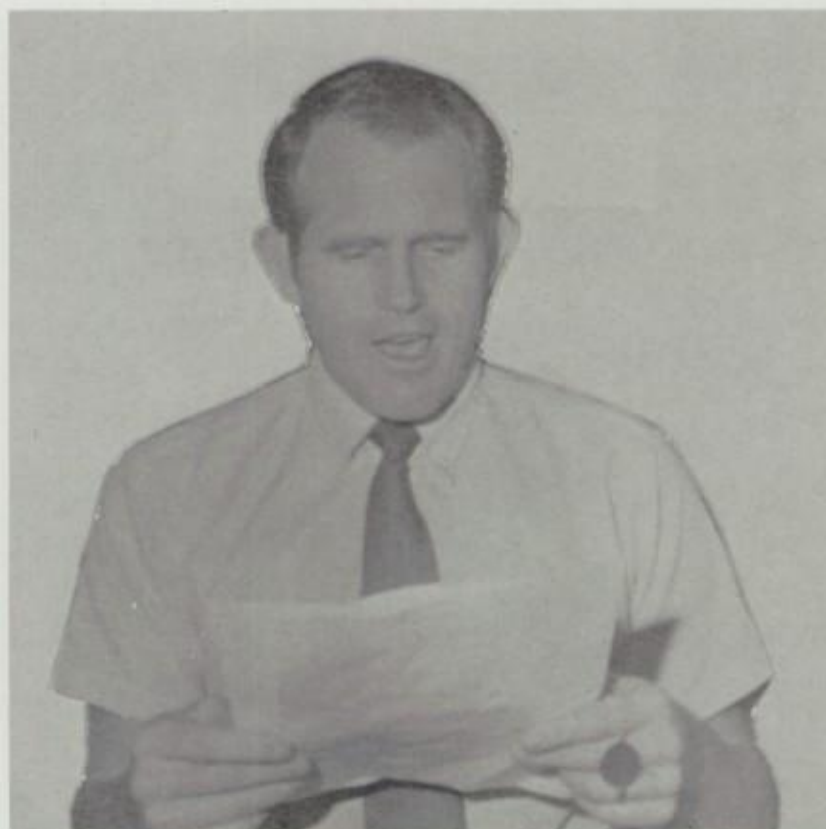

Mr. Lyles, voted "Coach of the Year", proved he was a great player too!

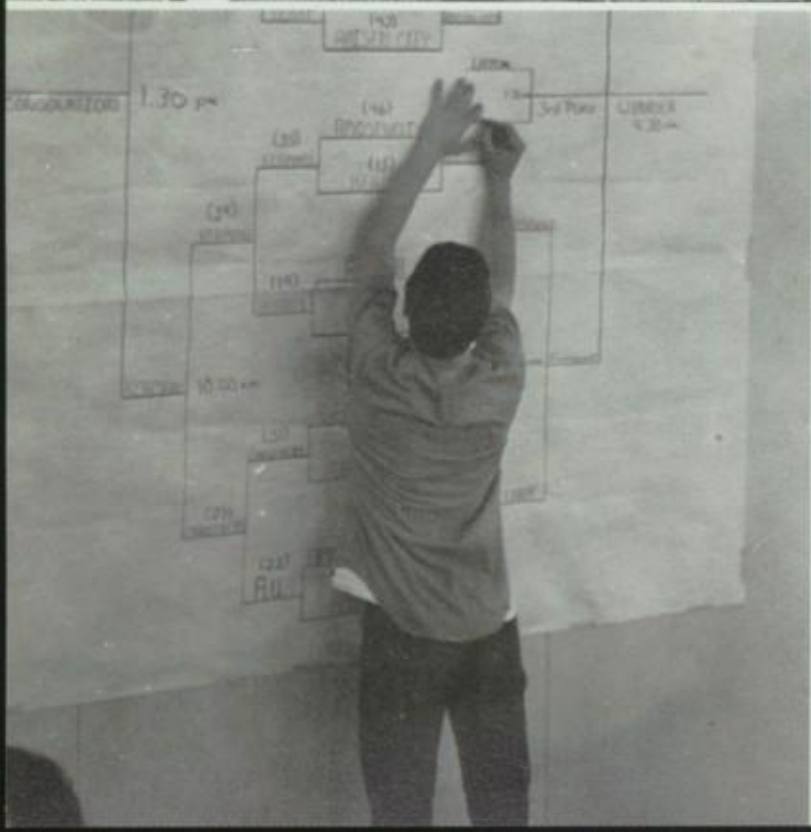

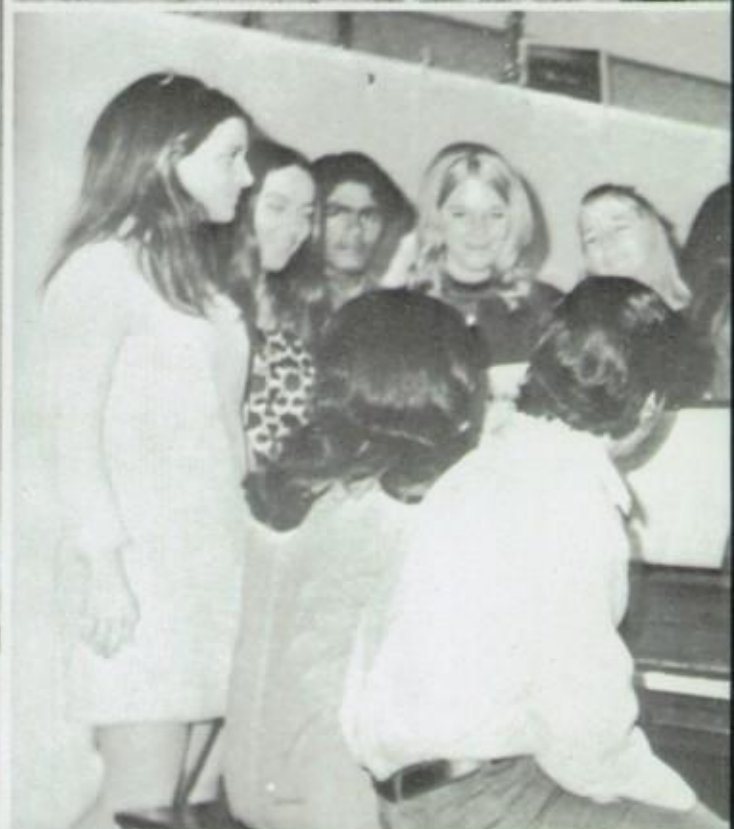

Mr. Lyles sometimes seemed worried during the games but the team came through and won championship.

We caught Mr. Lyles as he illustrated to his class how to dissect a crawfish.

Mr. Lyles really enjoyed singing Christmas carols at the Christmas pep rally.

Spanish Club

The Spanish Club has been very active this year. The club donated some Spanish and Mexican artifacts to the Spanish Department of Caruthers High to benefit the students taking Spanish Classes.

Along with Mr. Gottfried, the club sponsor, and several chaperons, the club went on their annual spring trip. All who attended reported having a fun-filled day.

Money was raised for the trip through various projects. The members have been enthusiastic in raising the money. The club would like to thank all those who helped support Spanish Club and made this trip possible.

Pep Club

In all types of athletic competition, support makes the effort worthwhile. Even more so, here on campus. You will not find a more loyal and active group of rooters on our campus than the Pep Club.

Under the watchful eye of Mrs. Barackman and experienced leadership of Michelle Shirey, the club went on to bigger and better things. Besides making posters for all the games, they found enough time for Spirit Week. On Monday of Spirit Week the students wore ties; Tuesday, posters were made and brought to be judged; Wednesday, hats were worn, Thursday, clashing clothes were worn; and on Friday, blue and white was worn to represent the Blue Raiders.

Miss West and Pep Club members spent many Saturday afternoons selling cakes in order to raise money to make the excellent posters that were seen around campus during the 1970-71 year.

GAA

G.A.A. kept busy during this past year, by sponsoring dances, twerp week, and also their annual slumber party, which was a great success.

Fun and excitement came for the girls during their playdays. This gave them a chance to make new friends both at our school and at other schools. They also had a lot of fun learning and practicing new sports.

President, Nanci Reina has proved her ability to cope with the most athletic girls of our school. They, in return, have proved to become one of the largest clubs on our campus; doing all they can to promote more excitement and exercise for our girls.

Debbie White and Debbie Gallyer looked at stationery.

FHA

The Caruthers Future Homemakers of America have been very busy this year working on the Christmas Dance. They really put a lot of time and effort into the dance. The theme was "Christmas Fantasy." The queen and king candidates were Judy Nielsen and Jack Efird, Seniors; Gail Hooper and Rick Stanley, Juniors; Bev Eskelsen and Max Hansford, Sophomores; Lourena Hunter and Timmy Clark, Freshmen.

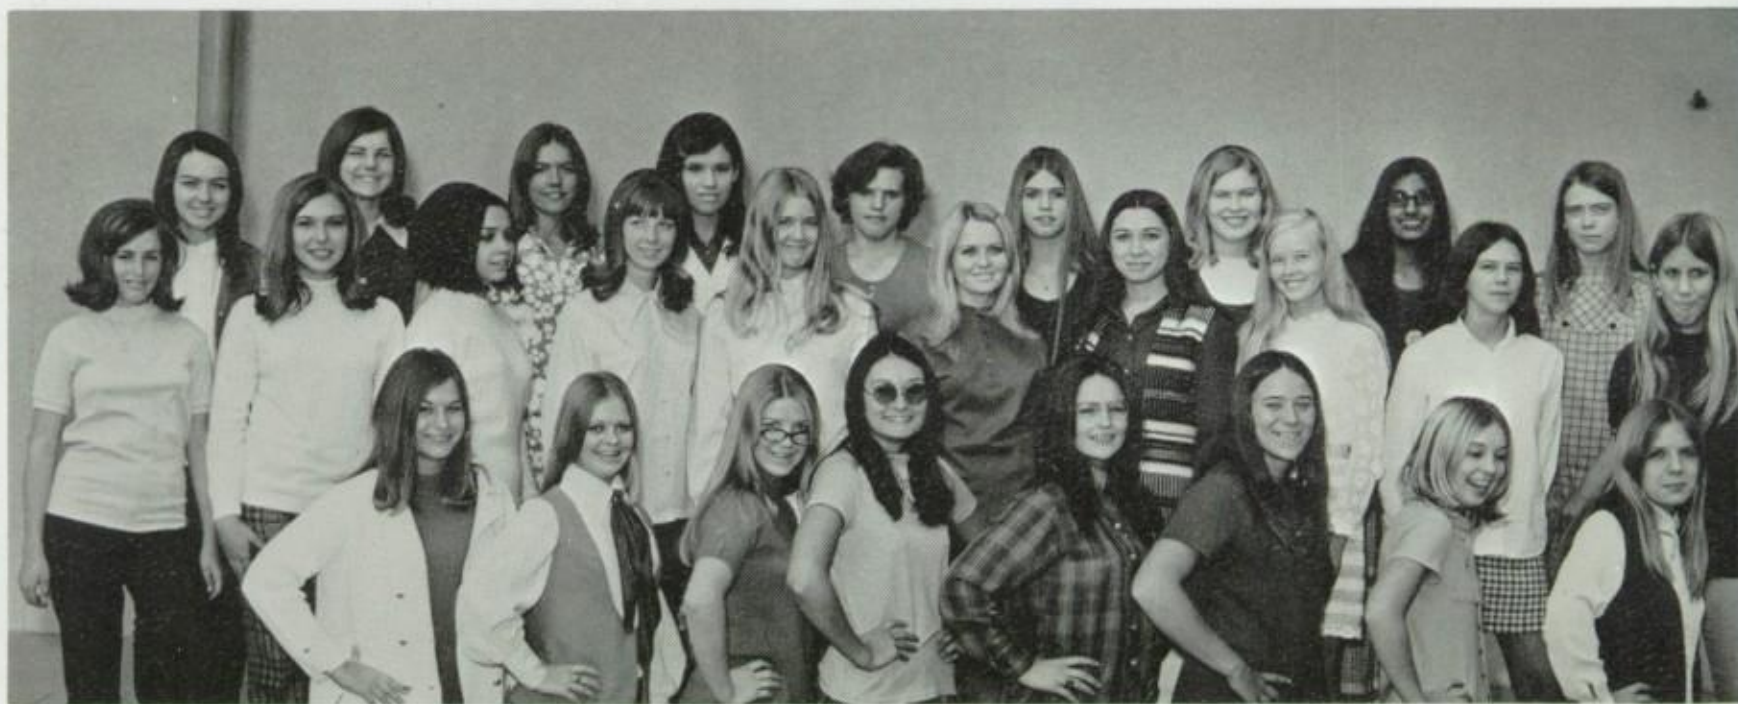

FHA worked hard earning money for a trip. They sold three kinds of cookbooks, pens with our school emblem, and had various cake sales.

Student Council

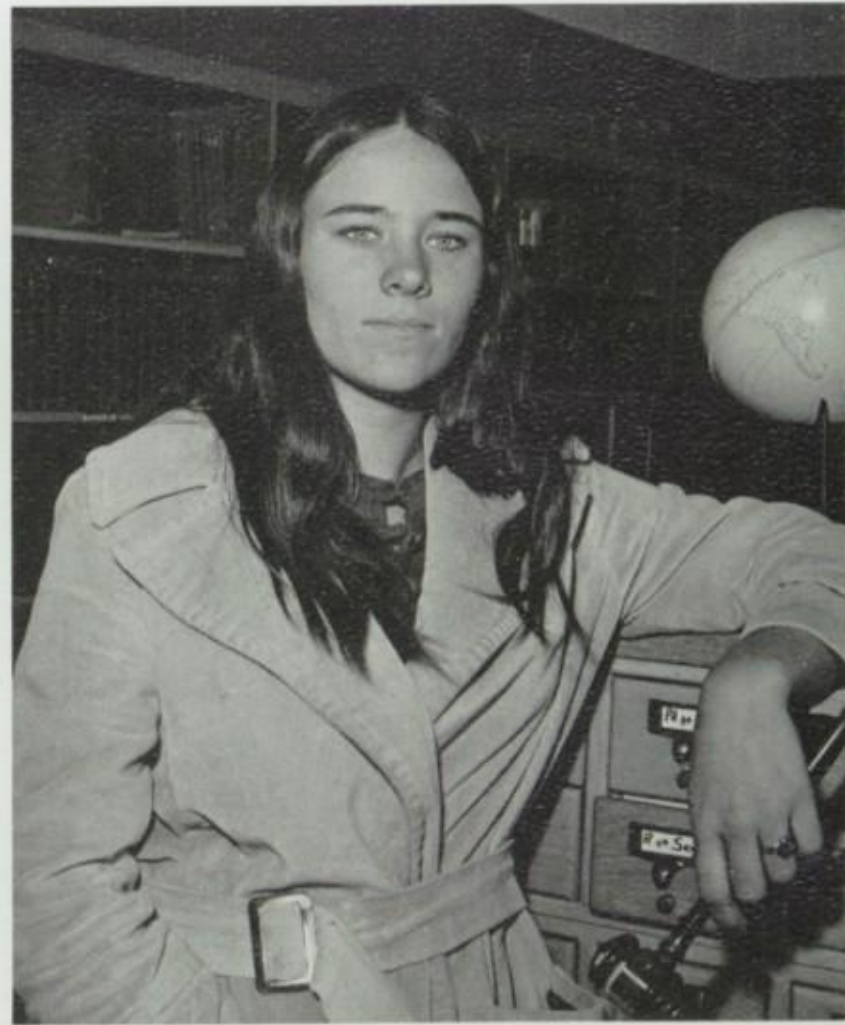

The 1970-71 Student Council has accomplished perhaps more than any other before it. What has accounted for this, is that Student Council and the administration are coming to a better understanding of one another's needs.

This understanding began when we, the students, realized we were going to have to prove to the administration that we can take on responsibility. We did this throughout the year with various activities, such as: controlling the litter problem on campus, creating a learning atmosphere between schools, having a booth at the fair, starting intramural sports at noon, having a successful beer can rally, attending Leadership Day at Roosevelt High and many other activities.

Student Council has a responsibility toward the student body. If this responsibility is not met, the organization is a failure and should not exist. Student Council has been concerned with the welfare of the student body as a whole, and the results have been favorable.

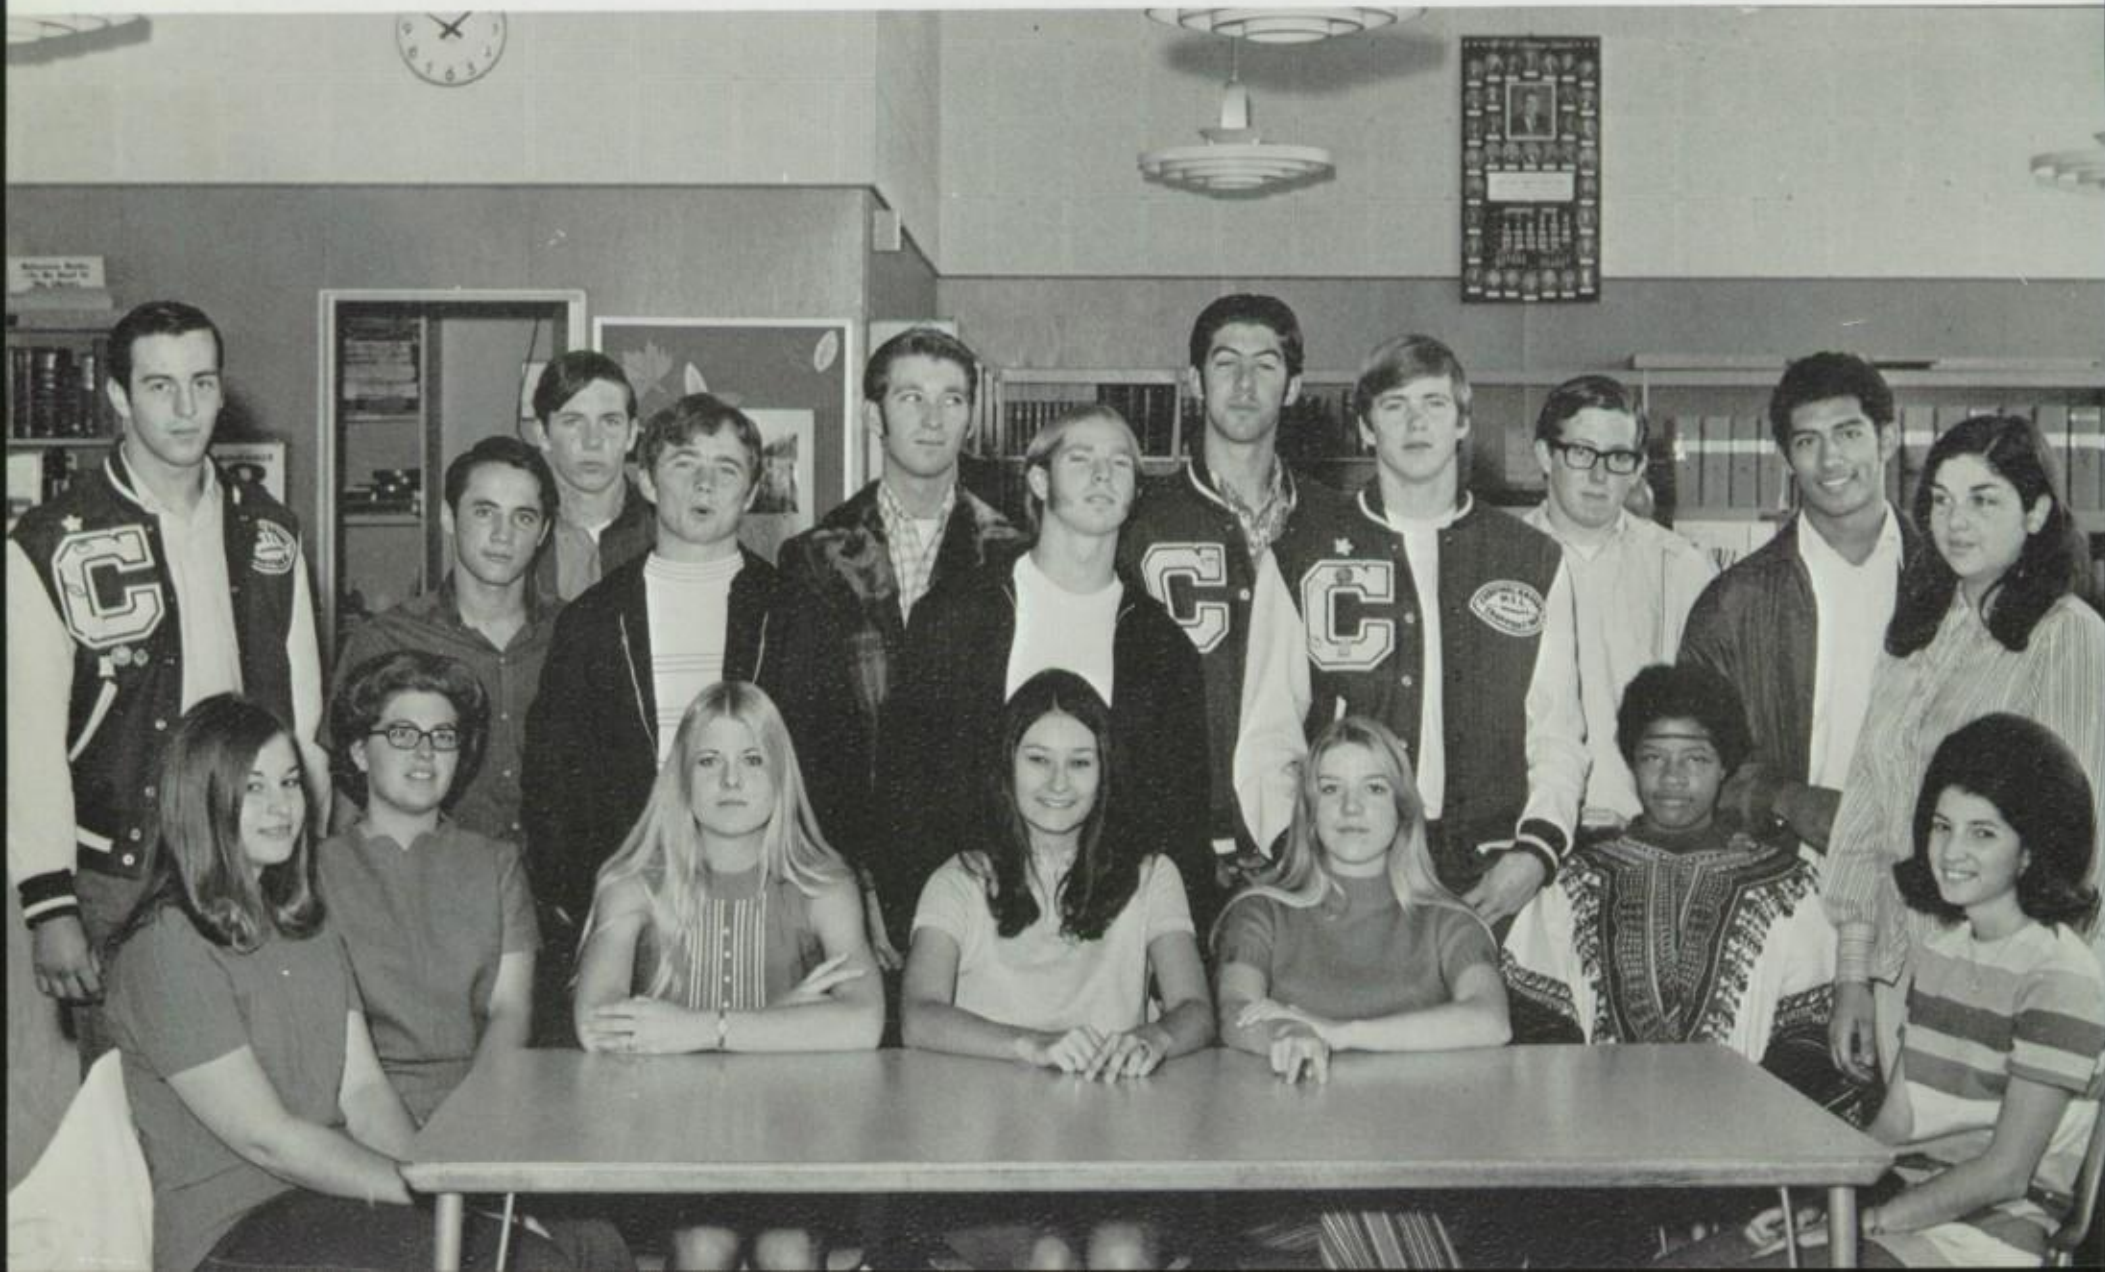

The students this year have shown they can be responsible, and I am proud to have been able to work with them. I would like to thank all those who contributed to my role as Student Body President of Caruthers Union High School.

FBLA

In June, 1970, the Caruthers Chapter of FBLA represented California at the FBLA National Convention in Philadelphia. They placed second in Parliamentary Procedure, fifth in Miss FBLA, and won the Most Outstanding Chapter in California Award. Gail Teague was also chosen National Parliamentarian. This is the first national office Caruthers has held.

Caruthers was the host to the Central Section Conference and California State Conference which was held in Fresno at the Del Webb. Their plans now are to attend the 1971 National Convention in Miami, Florida.

FBLA has raised the money to attend these events through the sale of advertisements, programs, candy, stationery, and conducting a raffle. FBLA also gave a Thanksgiving and Christmas basket to a needy family.

Annual Staff

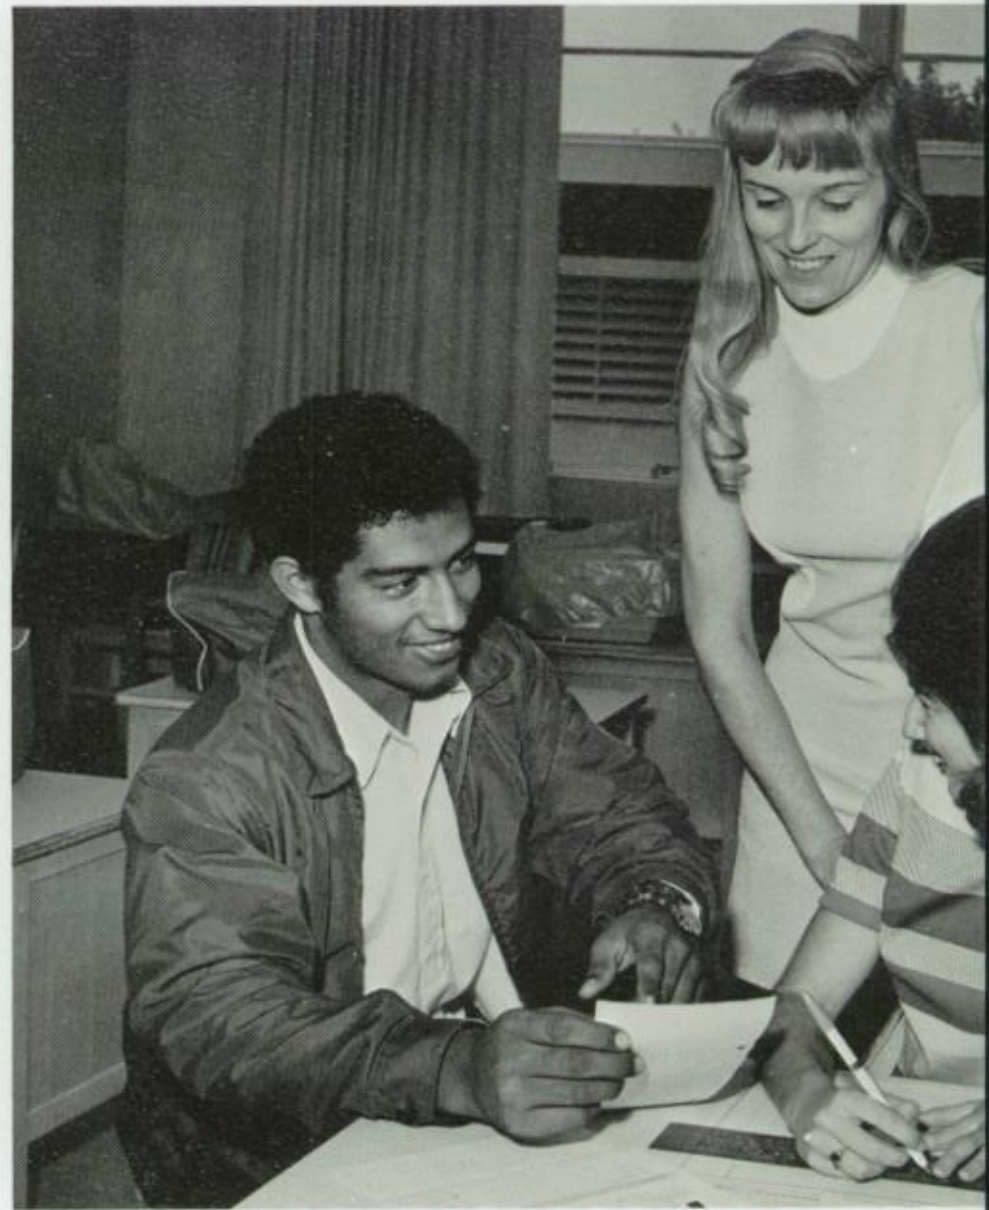

As you hopefully have noticed, many changes have been made by the journalism class this year. We started out by giving the school paper a new name. The first edition of the BLUE RAIDER aroused some controversy over the legality of the change, but a poll proved it to be legal and the majority of CUHS students stated they liked the change. Editor Sharon Jenkins, and Co-editors Linda White and Vivian Daniels put many hours of hard work into the paper and deserve a lot of thanks.

Unless you have been in journalism before you cannot know how much time and effort goes into the book you see. A few people alone could never do it. It is impossible for me to thank everyone who helped, but I would like to say thanks to the administration and faculty for their cooperation and understanding, and the advertisers for their help in financing the annual. A special thank-you goes to the LA PUERTA staff, especially Marie Schaefer, our photographer, for giving up her time to take pictures at school activities; Vivian Daniels for the art work on the cover; Paul Gonzales, business manager, for making sure enough ads were sold; and finally Mrs. Lyles, our advisor, for her many hours of taking and developing pictures, proofreading, and never-ending help in putting this yearbook together.

We tried to make the annual this year one everyone could be proud of; making it a review of the activities around campus this year and bringing it up to date. I hope you enjoy the changes in the 1971 LA PUERTA.

Class of '71

Speaking for the class of '71 I would like to thank our Parents, teachers, and administration for making our four years at Caruthers High enjoyable, as well as rewarding.

We've worked hard together in football, basketball and baseball games as well as in the many organizations in our school. Most of all, we've spent four years growing up with one another, through the good and bad, getting to know and understand fellow students which will result in life time friends.

After our senior year is over we will all go our separate ways and try to accomplish the goals and objectives we have set up for ourselves. We will always be able to look back on a good four years spent at C.U.H.S.

Standing L to R; Mrs. Francis Medsker and Mrs. Marian Glover, Sitting; Mrs. Lillian Bennett,

As the students of Caruthers Union High School and especially the graduating class, close the 1970-71 school year, they can look back upon that year as one of real progress. The student government has brought about many changes on campus. We are indeed fortunate in the United States to have the freedom and democracy that exists, but one should not forget the very important ingredient that goes hand in hand with our rights—responsibility. I hope everyone continues his investment in education so that they may enjoy its harvest in the final analysis.

Mr. James Kasparian, Vice-Principal.

Principal, Mr. Donald Zimkowski, and Vice-Principal, James T. Kasparian, discuss campus plans.

Faculty

The faculty of Caruthers Union High School do their job efficiently and well. This job is often quite difficult as students in the same class have different goals. Some students plan to enroll in college and must be prepared for this goal while other students plan to enter into the world of work after graduation.

The faculty is also called upon to work outside of the classroom in sponsoring dances, clubs, athletic games plus many other duties.

The student body appreciates these faculty members not only for the knowledge and understanding they bring into the classroom but also for all the extra time they put in, therefore making Caruthers High School the outstanding school it is.

Campus Help

Mr. Kenneth Hanneman, Mrs. Helen Harris, Mr. Al Wamhof, Mr. Ray Kazmir, and Mr. Don Golladay are bus drivers.

A great deal of effort is put out in order to keep a school working efficiently. The bus drivers, custodians and cooks all in their own way do their part very well. Although they work behind the scenes, everyone knows of their importance. The students of C.U.H.S. give their thanks to all these people for the many hours they spend for the good of the school.

Mrs. Allene Hamlin, Mr. Edward Borrego, Mrs. Ena Hager, Mr. Roy Hager, and Kenneth Hanneman are custodians.

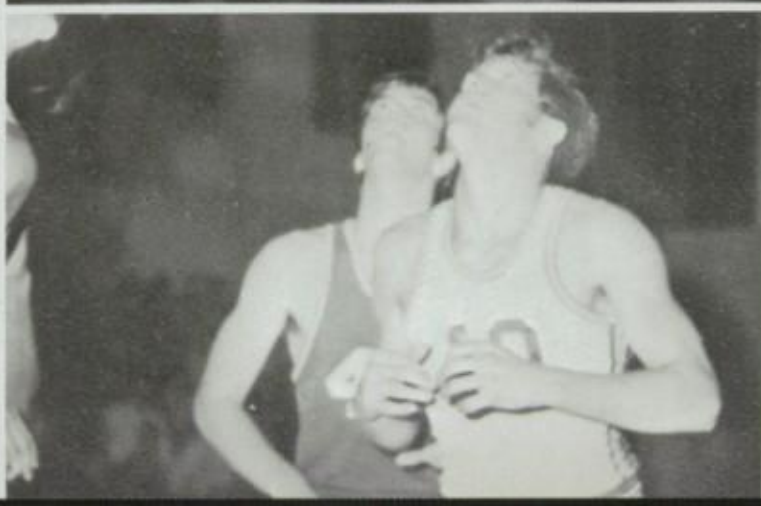

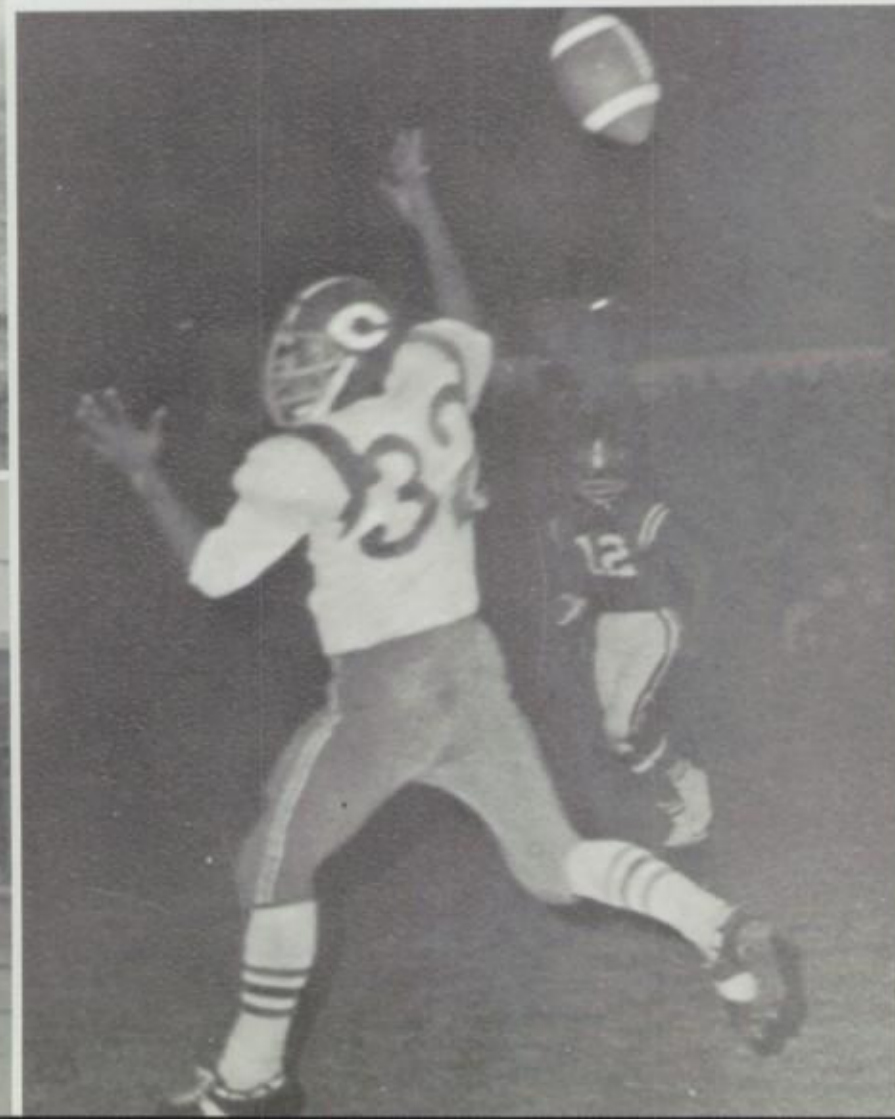

Mr. Bill Hart, Maintenance Manager.

A new addition to campus help, John Rivera worked hard on the job.

Mrs. Marie Phillips and Mrs. Thelma Barrett are cooks.

Pep Squad

The Caruthers Raiders have been honored this year to have a pep squad with enthusiasm, vitality, and most of all spirit. With only one returning member, the girls had to work hard to achieve their skill. They hosted a pow-wow for six other schools. The girls exchanged yells, routines, chants, ideas for better rallies, and ways to create school spirit. The 1970-71 cheerleaders, pep girls, and mascot represented the Blue Raiders in the fashion they are famous for—GREAT!

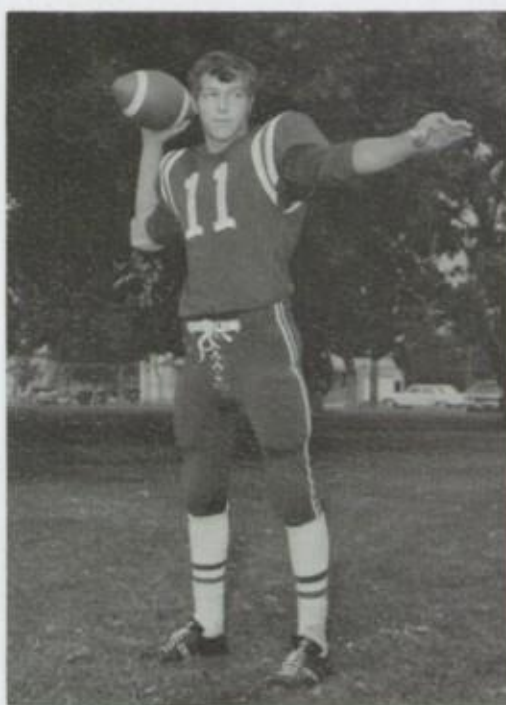

Ray Loflin got set for his brutal forward charge into the Panther offense.

Mike Phillips made many tackles like this one against the Panthers.

Determination like Tom Woods showed, helped the Raiders finish second in the league.

Co-captains, David Gonzales and Stan Turner.

The brutal defense of Russell Shelton aided the Raiders in their victory over Kerman.
